International Baccalaureate

(l) *Calculation of additional full-time equivalent membership based on international baccalaureate examination scores of students.*--A value of 0.24 full-time equivalent student membership shall be calculated for each student enrolled in an international baccalaureate course who receives a score of 4 or higher on a subject examination. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives an international baccalaureate diploma. Such value shall be added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. The school district shall distribute to each classroom teacher who provided international baccalaureate instruction:

1. A bonus in the amount of \$50 for each student taught by the International Baccalaureate teacher in each international baccalaureate course who receives a score of 4 or higher on the international baccalaureate examination.

2. An additional bonus of \$500 to each International Baccalaureate teacher in a school designated with a grade of "D" or "F" who has at least one student scoring 4 or higher on the international baccalaureate examination, regardless of the number of classes taught or of the number of students scoring a 4 or higher on the international baccalaureate examination.

Bonuses awarded to a teacher according to this paragraph shall not exceed \$2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.
