See copy of s. 1012.71, Florida Statutes, in this section. Section 1012.71(6). Project Number: 3180

Allocation Method: Number of eligible instructional units in FY 2009-2010 times \$200.00. The amount per eligible instructional staff and the total amount to each school will change based upon the actual number of instructional staff at the school when the funds are transferred to school internal funds and the allocation from the Final Conference Report.

Allocation Amount: Estimate per instructional staff: \$200

Example: <i>Edwins Elementary</i>	<i>Florida Teachers Lead</i>
<u>Staff Units</u> 32 x	<u>Per Staff</u> \$200 =
	<u>Allocation</u> \$6,400

For the initial budget process, the allocation for your school will be placed in the following:

Project Name	Fund	Function	Object Code	Cost Center	Project Number
Florida Teachers Lead	1010	5100	0510	Your Cost Center	3180

This project is blocked from any changes in the budget and from encumbering funds.

The District will issue one check to each school to be deposited in the school's internal funds. The check to the school will be for the total (\$200 X # of instructional staff) and will be issued prior to September 25, 2010. Each school will disburse the funds directly to teachers as in fiscal year 2009-2010. After the District issues the checks to each school, the District will adjust the budget for your school to the actual amount of the check issued to your school.

Excerpt from The 2009 Florida Statutes

1012.71 The Florida Teachers Lead Program.

(1) For purposes of the Florida Teachers Lead Program, the term "classroom teacher" means a certified teacher employed by a public school district or a public charter school in that district on or before September 1 of each year whose full-time or job-share responsibility is the classroom instruction of students in prekindergarten through grade 12, including full-time media specialists and guidance counselors serving students in prekindergarten through grade 12, who are funded through the Florida Education Finance Program. A "job-share" classroom teacher is one of two teachers whose combined full-time equivalent employment for the same teaching assignment equals one full-time classroom teacher.

(2) The Legislature, in the General Appropriations Act, shall determine funding for the Florida Teachers Lead Program. The funds appropriated are for classroom teachers to purchase, on behalf of the school district or charter school, classroom materials and supplies for the public school students assigned to them and may not be used to purchase equipment. The funds appropriated shall be used to supplement the materials and supplies otherwise available to classroom teachers. From the funds appropriated for the Florida Teachers Lead Program, the Commissioner of Education shall calculate an amount for each school district based upon each school district's proportionate share of the state's total unweighted FTE student enrollment and shall disburse the funds to the school districts by July 15.

(3) From the funds allocated to each school district for the Florida Teachers Lead Program, the district school board shall calculate an identical amount for each classroom teacher, which is that teacher's proportionate share of the total amount allocated to the district. A job-share classroom teacher may receive a prorated share of the amount provided to a full-time classroom teacher. The district school board and each charter school board shall provide each classroom teacher with his or her total proportionate share by September 30 of each year by any means determined appropriate by the district school board or charter school board, including, but not limited to, direct deposit, check, debit card, or purchasing card, notwithstanding any law to the contrary. Expenditures under the program are not subject to state or local competitive bidding requirements. Funds received by a classroom teacher do not affect wages, hours, or terms and conditions of employment and, therefore, are not subject to collective bargaining. Any classroom teacher may decline receipt of or return the funds without explanation or cause. This subsection shall apply retroactively to July 1, 2007.

(4) Each classroom teacher must sign a statement acknowledging receipt of the funds, keep receipts for no less than 4 years to show that funds expended meet the requirements of this section, and return any unused funds to the district school board at the end of the regular school year. Any unused funds that are returned to the district school board shall be deposited into the school advisory council account of the school at which the classroom teacher returning the funds was employed when that teacher received the funds or deposited into the Florida Teachers Lead Program account of the school district in which a charter school is sponsored, as applicable.

(5) The statement must be signed and dated by each classroom teacher before receipt of the Florida Teachers Lead Program funds and shall include the wording: "I, (name of teacher), am employed by the ____ County District School Board or by the ____ Charter School as a full-time classroom teacher. I acknowledge that Florida Teachers Lead Program funds are appropriated by the Legislature for the sole purpose of purchasing classroom materials and supplies to be used in the instruction of students assigned to me. In accepting custody of these funds, I agree to keep the receipts for all expenditures for no less than 4 years. I understand that if I do not keep the receipts, it will be my personal responsibility to pay any federal taxes due on these funds. I also agree to return any unexpended funds to the district school board at the end of the regular school year for deposit into the school advisory council account of the school where I was employed at the time I received the funds or for deposit into the Florida Teachers Lead Program account of the school district in which the charter school is sponsored, as applicable."
