

**SCHOOL DISTRICT OF OKALOOSA COUNTY
LOTTERY - SCHOOL RECOGNITION
FISCAL YEAR 2010-2011**

School Recognition funds are a direct allocation of State Lottery funds to be awarded to schools that sustain high performance or demonstrate substantial improvement in student performance. The State generally notifies the District in August and provides a list of schools and the amount for each school. The Legislature allocated \$75 per student for qualifying schools in the fiscal year 2009-2010 Final Conference Report.

Project Number: 1160

Allocation Method: Award notification from DOE.

Allocation Amount: Award notification from DOE.
A memo will be sent to eligible schools in August 2010 with the allocation amount for each school.

Each year's allocation will be accounted for in a separate project. The intent of School Recognition funds is for the funds to be spent in the year they are received. Therefore, each school is strongly encouraged to expend each year's allocation in the year it is received and pursuant to s.1008.36, Florida Statutes (see attached) and District procedures.

Excerpt from The 2010 Florida Statutes

1008.36 Florida School Recognition Program.

- (1) The Legislature finds that there is a need for a performance incentive program for outstanding faculty and staff in highly productive schools. The Legislature further finds that performance-based incentives are commonplace in the private sector and should be infused into the public sector as a reward for productivity.
- (2) The Florida school recognition Program is created to provide financial awards to public schools that:
 - (a) Sustain high performance by receiving a school grade of “A,” making excellent progress; or
 - (b) Demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year.
- (3) All public schools, including charter schools, that receive a school grade pursuant to s. 1008.34 are eligible to participate in the program.
- (4) All selected schools shall receive financial awards depending on the availability of funds appropriated and the number and size of schools selected to receive an award. Funds must be distributed to the school’s fiscal agent and placed in the school’s account and must be used for purposes listed in subsection (5) as determined jointly by the school’s staff and school advisory council. If school staff and the school advisory council cannot reach agreement by February 1, the awards must be equally distributed to all classroom teachers currently teaching in the school. If a school selected to receive a school recognition award is no longer in existence at the time the award is paid, the district school superintendent shall distribute the funds to teachers who taught at the school in the previous year in the form of a bonus.
- (5) School recognition awards must be used for the following:
 - (a) Nonrecurring bonuses to the faculty and staff;
 - (b) Nonrecurring expenditures for educational equipment or materials to assist in maintaining and improving student performance; or
 - (c) Temporary personnel for the school to assist in maintaining and improving student performance.

Notwithstanding statutory provisions to the contrary, incentive awards are not subject to collective bargaining.
