FISCAL YEAR 2011-2012
AS OF APRIL 2011

International Baccalaureate (IB) is a direct allocation to secondary schools for IB programs. This allocation is in addition to the base student funding for students in IB classes which is included in each school's discretionary revenue allocation.

Project Number: 7055

Allocation Method: This revenue projection is based on the students successfully completing the International Baccalaureate examinations and/or diplomas per the Governor's Recommended Budget. The projection is based on the same number of students passing examinations/ earning diplomas as fiscal year 2009-2010.

The school allocation is 100% of the revenue projection. Schools must use 20% of the IB allocation to fund programs that assist academically disadvantaged students prepare for more rigorous courses.

Base Student Allocation (BSA)	\$	3,479.22
District Cost Differential (DCD)		0.9703

WFTE X BSA X DCD X 90% = IB ALLOCATION

The District will adjust each school's IB budget in October 2011 to reflect the funding based on 2010-2011 Earned WFTE.

Excerpt from The 2010 Florida Statutes

1011.62 Funds for operation of schools.

International Baccalaureate

(m) Calculation of additional full-time equivalent membership based on International Baccalaureate examination scores of students.—A value of 0.16 full-time equivalent student membership shall be calculated for each student enrolled in an International Baccalaureate course who receives a score of 4 or higher on a subject examination. A value of 0.3 full-time equivalent student membership shall be calculated for each student who receives an International Baccalaureate diploma. Such value shall be added to the total full-time equivalent student membership in basic programs for grades 9 through 12 in the subsequent fiscal year. Each school district shall allocate 80 percent of the funds received from International Baccalaureate bonus FTE funding to the school program whose students generate the funds and to school programs that prepare prospective students to enroll in International Baccalaureate courses. Funds shall be expended solely for the payment of allowable costs associated with the International Baccalaureate program. Allowable costs include International Baccalaureate annual school fees; International Baccalaureate examination fees; salary, benefits, and bonuses for teachers and program coordinators for the International Baccalaureate program and teachers and coordinators who prepare prospective students for the International Baccalaureate program; supplemental books; instructional supplies; instructional equipment or instructional materials for International Baccalaureate courses; other activities that identify prospective International Baccalaureate students or prepare prospective students to enroll in International Baccalaureate courses; and training or professional development for International Baccalaureate teachers. School districts shall allocate the remaining 20 percent of the funds received from International Baccalaureate bonus FTE funding for programs that assist academically disadvantaged students to prepare for more rigorous courses. The school district shall distribute to each classroom teacher who provided International Baccalaureate instruction:

1. A bonus in the amount of \$50 for each student taught by the International Baccalaureate teacher in each International Baccalaureate course who receives a score of 4 or higher on the International Baccalaureate examination.
2. An additional bonus of \$500 to each International Baccalaureate teacher in a school designated with a grade of “D” or “F” who has at least one student scoring 4 or higher on the International Baccalaureate examination, regardless of the number of classes taught or of the number of students scoring a 4 or higher on the International Baccalaureate examination.

Bonuses awarded to a teacher according to this paragraph shall not exceed \$2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.
