

**SCHOOL DISTRICT OF OKALOOSA COUNTY**  
**LOTTERY - SCHOOL RECOGNITION**  
**FISCAL YEAR 2012-2013**  
**AS OF MARCH 2012**

School Recognition funds are a direct allocation of State Lottery funds to be awarded to schools that sustain high performance or demonstrate substantial improvement in student performance. In fiscal year 2011-2012, the State made its allocation in late February, providing a list of schools and the amount for each school. The Final Conference Report is recommending up to \$100.00 per student for qualifying schools. The amount could be less than \$100.00 per student, depending on the number of qualifying schools.

**Project Number: 3160**

***Allocation Method:*** Award notification from DOE.

***Allocation Amount:*** Award notification from DOE.  
A memo indicating the allocation amount will be sent to eligible schools.  
Award information will be available in October 2012 or January 2013,  
dependent upon the Legislature.

***Each year's allocation will be accounted for in a separate project. The intent of School Recognition funds is for the funds to be spent in the year they are received. Therefore, each school is strongly encouraged to expend each year's allocation in the year it is received and pursuant to s.1008.36, Florida Statutes (see attached) and District procedures.***

## Excerpt from The 2011 Florida Statutes

### 1008.36 Florida School Recognition Program.

- (1) The Legislature finds that there is a need for a performance incentive program for outstanding faculty and staff in highly productive schools. The Legislature further finds that performance-based incentives are commonplace in the private sector and should be infused into the public sector as a reward for productivity.
- (2) The Florida School Recognition Program is created to provide financial awards to public schools that:
  - (a) Sustain high performance by receiving a school grade of “A,” making excellent progress; or
  - (b) Demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year.
- (3) All public schools, including charter schools, that receive a school grade pursuant to s. [1008.34](#) are eligible to participate in the program.
- (4) All selected schools shall receive financial awards depending on the availability of funds appropriated and the number and size of schools selected to receive an award. Funds must be distributed to the school’s fiscal agent and placed in the school’s account and must be used for purposes listed in subsection (5) as determined jointly by the school’s staff and school advisory council. If school staff and the school advisory council cannot reach agreement by February 1, the awards must be equally distributed to all classroom teachers currently teaching in the school. If a school selected to receive a school recognition award is no longer in existence at the time the award is paid, the district school superintendent shall distribute the funds to teachers who taught at the school in the previous year in the form of a bonus.
- (5) School recognition awards must be used for the following:
  - (a) Nonrecurring bonuses to the faculty and staff;
  - (b) Nonrecurring expenditures for educational equipment or materials to assist in maintaining and improving student performance; or
  - (c) Temporary personnel for the school to assist in maintaining and improving student performance.

Notwithstanding statutory provisions to the contrary, incentive awards are not subject to collective bargaining.
