

**SCHOOL DISTRICT OF OKALOOSA COUNTY  
 LOTTERY - SCHOOL ADVISORY COUNCIL  
 FISCAL YEAR 2014-2015  
 AS OF MAY 2014**

This allocation is to be used by the School Advisory Council in accordance with s. 24.121(5)(C), Florida Statutes (See Attached). A portion of these funds must be used for implementing improvement plan, pursuant to s.1001.42, Florida Statutes (See Attached). Funding for use by the School Advisory Council is allocated directly to the School Advisory Councils and is earmarked for the Councils' use. Council funds must be accounted for and are subject to audit on a yearly basis. Each year's allocation will be accounted for in a separate project. For example, fiscal year 2013-2014 would have been project 4002 and fiscal year 2014-2015 will be project 5002.

The State has not made an initial allocation for Lottery - School Advisory Council. If there are lottery funds remaining after payment of School Recognition funds to qualified schools, up to \$5.00 per unweighted student shall be allocated to be used at the discretion of the School Advisory Council. If funds are insufficient to provide \$5.00 per student, the available funds shall be prorated.

**Project Number: 5002**

*Allocation Method:* 100% X \$0 X School Original Projected UFTE

*Allocation Amount:* \$0.00 Per UFTE (See above)

<b>Example: <i>Edwins Elementary</i></b>	<b><i>Lottery - School Advisory Council</i></b>
$100\% \times \frac{\text{Per UFTE}}{\$0.00} \times \text{UFTE} = \text{Allocation}$ $100\% \times \frac{\$0.00}{\$0.00} \times 422.00 = \$0.00$	

For the initial budget process, the allocation for your school will be placed in the following:

Project Name	Fund	Function	Object Code	Cost Center	Project Number
School Advisory Council	1010	5100	0510	Your Cost Center	5002

Beginning August 1, 2014, after the adoption of the preliminary and tentative budget, you may enter budget amendments to better utilize the funds.

The intent of School Advisory funds is for the funds to be spent in the year they are earned. Therefore, each school is strongly encouraged to expend each year's allocation in the year it is received and in compliance with the School Advisory Council Plan.

*Any available funds in the project for your school at the end of fiscal year 2014-2015 will carry over to the next fiscal year.*

- (1) Variable percentages of the gross revenue from the sale of online and instant lottery tickets shall be returned to the public in the form of prizes paid by the department or retailers as authorized by this act. The variable percentages of gross revenue from the sale of online and instant lottery tickets returned to the public in the form of prizes shall be established by the department in a manner designed to maximize the amount of funds deposited under subsection (2).
- (2) Each fiscal year, variable percentages of the gross revenue from the sale of online and instant lottery tickets as determined by the department consistent with subsection (1), and other earned revenue, excluding application processing fees, shall be deposited in the Educational Enhancement Trust Fund, which is hereby created in the State Treasury to be administered by the Department of Education. The Department of the Lottery shall transfer moneys to the Educational Enhancement Trust Fund at least once each quarter. Funds in the Educational Enhancement Trust Fund shall be used to the benefit of public education in accordance with the provisions of this act. Notwithstanding any other provision of law, lottery revenues transferred to the Educational Enhancement Trust Fund shall be reserved as needed and used to meet the requirements of the documents authorizing the bonds issued by the state pursuant to s. [1013.68](#), s. [1013.70](#), or s. [1013.737](#) or distributed to school districts for the Classrooms First Program as provided in s. [1013.68](#). Such lottery revenues are hereby pledged to the payment of debt service on bonds issued by the state pursuant to s. [1013.68](#), s. [1013.70](#), or s. [1013.737](#). Debt service payable on bonds issued by the state pursuant to s. [1013.68](#), s. [1013.70](#), or s. ### 24.121 Allocation of revenues and expenditure of funds for public education (State Lotteries). (Continued)

(5)

- (a) Public educational programs and purposes funded by the Educational Enhancement Trust Fund may include, but are not limited to, endowment, scholarship, matching funds, direct grants, research and economic development related to education, salary enhancement, contracts with independent institutions to conduct programs consistent with the state master plan for postsecondary education, or any other educational program or purpose deemed desirable by the Legislature. Prior to the expenditure of these funds, each school district shall establish policies and procedures that define enhancement and the types of expenditures consistent with that definition.
- (b) Except as provided in paragraphs (c), (d), and (e), the Legislature shall equitably apportion moneys in the trust fund among public schools, community colleges, and universities.
- (c) A portion of such net revenues, as determined annually by the Legislature, shall be distributed to each school district and shall be made available to each public school in the district for enhancing school performance through development and implementation of a school improvement plan pursuant to s. 1001.42(18). A portion of these moneys, as determined annually in the General Appropriations Act, must be allocated to each school in an equal amount for each student enrolled. These moneys may be expended only on programs or projects selected by the school advisory council or by a parent advisory committee created pursuant to this paragraph. If a school does not have a school advisory council, the district advisory council must appoint a parent advisory committee composed of parents of students enrolled in that school, which is representative of the ethnic, racial, and economic community served by the school, to advise the school's principal on the programs or projects to be funded. Neither school district staff nor principals may override the recommendations of the school advisory council or the parent advisory committee. These moneys may not be used for capital improvements or for any project or program that has a duration of more than 1 year; however, a school advisory council or parent advisory committee may independently determine that a program or project formerly funded under this paragraph should receive funds in a subsequent year.
- (d) No funds shall be released for any purpose from the Educational Enhancement Trust Fund to any school district in which one or more schools do not have an approved school improvement plan pursuant to s. 1001.42(18) or do not comply with school advisory council membership composition requirements pursuant to s. 1001.452(1). The Commissioner of Education shall withhold disbursements from the trust fund to any school district that fails to adopt the performance-based salary schedule required by s. 1012.22(1).
- (e) All components of the Florida Bright Futures Scholarship Program shall be funded annually from the Educational Enhancement Trust Fund. Funds shall be allocated to this program prior to application of the formula for equitable distribution to public schools, community colleges, and state universities. If shortages require reductions in estimated distributions from the Educational Enhancement Trust Fund, funds for the Florida Bright Futures Scholarship Program shall be reduced only after reductions in all other distributions are made.
- (f) Each school district shall, on a quarterly basis, make available to the public and distribute, in an easy to understand format, the expenditures of lottery funds allocated to the school district.
