

Per the Educational Support Professional contract, "employees that proctor or administer state assessments will be paid \$5.00 per hour in addition to their normal wage. Support professionals will not be required to administer MAP without a teacher present. Proctoring should be rotated equally among all qualified support staff that do not require coverage."

Since MAP is not a state assessment, and a teacher must be present, educational support personnel are not paid for administering or proctoring MAP.

The \$5.00 per hour will be paid as other compensation through Function 6141, Object 0102, Project 3102 – SAI – Student Assessment. Budgeting will appropriate funds to the project based on actual expenditures.
