### 1011.62(1) Funds for operation of schools.

#### Supplemental Academic Instruction

##### *(f) Supplemental academic instruction.—*

1. There is created the supplemental academic instruction allocation to provide supplemental academic instruction to students in kindergarten through grade 12.
2. The supplemental academic instruction allocation shall be provided annually in the Florida Education Finance Program as specified in the General Appropriations Act. These funds are in addition to the funds appropriated on the basis of FTE student membership in the Florida Education Finance Program and shall be included in the total potential funds of each district. Beginning with the 2018-2019 fiscal year, each school district that has a school earning a grade of “D” or “F” pursuant to s. [1008.34](#) must use that school’s portion of the supplemental academic instruction allocation to implement intervention and support strategies for school improvement pursuant to s. [1008.33](#) and for salary incentives pursuant to s. [1012.2315](#)(3) or salary supplements pursuant to s. [1012.22](#)(1)(c)5.c. that are provided through a memorandum of understanding between the collective bargaining agent and the school board that addresses the selection, placement, and expectations of instructional personnel and school administrators. For all other schools, the school district’s use of the supplemental academic instruction allocation may include, but is not limited to, the use of a modified curriculum; reading instruction; after-school instruction; tutoring; mentoring; a reduction in class size; extended school year; intensive skills development in summer school; dropout prevention programs as defined in ss. [1003.52](#) and [1003.53](#)(1)(a), (b), and (c); and other methods of improving student achievement. Supplemental academic instruction may be provided to a student in any manner and at any time during or beyond the regular 180-day term identified by the school as being the most effective and efficient way to best help that student progress from grade to grade and to graduate.
3. The supplemental academic instruction allocation shall consist of a base amount that has a workload adjustment based on changes in unweighted FTE. The supplemental academic instruction allocation shall be recalculated during the fiscal year. Upon recalculation of funding for the supplemental academic instruction allocation, if the total allocation is greater than the amount provided in the General Appropriations Act, the allocation shall be prorated to the level provided to support the appropriation, based on each district’s share of the total.
4. Funding on the basis of FTE membership beyond the 180-day regular term shall be provided in the FEFP only for students enrolled in juvenile justice education programs or in education programs for juveniles placed in secure facilities or programs under s. [985.19](#). Funding for instruction beyond the regular 180-day school year for all other K-12 students shall be provided through the supplemental academic instruction allocation and other state, federal, and local fund sources with ample flexibility for schools to provide supplemental instruction to assist students in progressing from grade to grade and graduating.
