

**SCHOOL BOARD OF OKALOOSA COUNTY, FLORIDA
ANNUAL AGREEMENT FOR CHARTER BUS SERVICES - BROKER**

THIS AGREEMENT FOR CONTRACT SERVICES (hereinafter referred to as the “Agreement”) is made and entered into by and between The School Board of Okaloosa County, Florida, operating a district school system in the State of Florida, whose address is 120 Lowery Place SE, Fort Walton Beach, FL, 32548 (hereinafter referred to as “School Board and/or District”) and _____, whose address is _____, (hereinafter referred to as “Contractor” or “Broker”), for the purpose of providing Charter Bus Services to the District.

WITNESSETH

WHEREAS, the School Board desires for Contractor to perform and provide the District with Charter Bus Services as requested by the District and more particularly described herein below; and,

WHEREAS, Contractor is willing to perform and provide such services.

NOW, THEREFORE, in consideration of the representations and agreements contained herein, the parties hereby agree as follows:

1. SCOPE OF SERVICES.

This contract is a base agreement with the School Board to avoid re-execution of complete contract documents each time a charter bus trip needs to be scheduled. Companies with contracts on file will have provided appropriate assurances and liability insurance certificates to be maintained by the District for the period noted in this Agreement. Contractors with approved agreements will be listed on the District’s Purchasing Department website as approved Charter Bus Companies. Schools/departments will be directed to utilize only companies included on the approved Charter Bus Company list. Contractor shall extend contract terms and conditions to all schools, PTO’s, athletic boosters, band boosters, and other support organizations that provide direct support for student activities. When a need for charter bus services arises within the District, solicitations for quotes will be taken as necessary to determine the contractor who will receive the specific business for that trip/activity. The contractor chosen for the trip will then provide a trip addendum to the school/department. The trip addendum shall include specific information about the trip, times, places, and the total cost of the trip to include: cost of the driver, driver’s lodging (if applicable), gratuity, parking, fuel, insurance, maintenance of buses and any other costs of operation and shall be agreed to by the requesting school/department. Additional signature by the District contracting official of the trip addendum will not be required as long as this Agreement is on file and the term has not expired. If the trip addendum contains any additional terms, those terms must be agreed to in writing by an authorized official of the District’s Purchasing Department. The school/department will upon acceptance of quote confirm reservations by issuing a school or District purchase order. Receipt of a school/department purchase order will be binding on the Contractor to provide services as stated. There will be no deposits or other payments made in advance to the Contractor. The purchase order will be binding on the school/department to pay for services rendered. In the event of any conflict, the terms of this Agreement shall prevail.

2. TERM AND TERMINATION.

The term of this Agreement shall commence on the date last signed by both parties and shall continue unless and until terminated as provided herein.

Either party shall have the right to terminate this Agreement without cause at any time giving thirty (30) days notice in writing to the other party. Upon notice of cancellation Contractor shall be required to fulfill all outstanding obligations for scheduled trips or reimburse the District for any difference in cost for a rescheduled trip resulting in a higher expense to the District.

The District does not guarantee Contractor any minimum or maximum amount of business during the term of this Agreement.

3. BROKER RESPONSIBILITIES AND REPRESENTATIONS.

- 3.1 Definition: A Broker is defined as a contractor entering into an agreement with the District to provide charter bus services, who subcontracts with other companies to provide the buses, or provide the buses and drivers.

Only vendors approved on the list may be used as subcontractor. If the school/department has deadlines to meet, the Contractor will take whatever action necessary to ensure deadlines are met and the destination is reached within the original time required to avoid default. Contractor agrees that in the event the Contractor or any employee is later convicted of, or pleads nolo contendere to any disqualifying offense as outlined in Section 435.04, Florida Statutes, the Contractor will notify School Board within 48 hours of such.

The parties agree that the Contractor's failure to perform any of the duties described in this section will constitute a material breach of this Agreement entitling the School Board to terminate immediately with no further responsibility to make payment or perform any other duties under this Agreement. Contractor agrees to indemnify and hold harmless the School
