Good afternoon board members. First off, thank you for your continued support to our band programs in Okaloosa County!! Also, thank you for the opportunity to help serve these programs.

You will see alternates for bid item #10 for Niceville High School. I have given the same bass clarinet that was requested for Crestview and Fort Walton Beach High School. This instrument is far superior and more widely available.

Item #4 Baker School I have provided an alternate. The Armstrong 800B is discontinued. I have provided the Haynes Bravo2 because it has all of the same features and provides a savings roughly of \$100.00

If awarded, PMC will provide it's 13-point customer satisfaction inspection insuring all instruments will be unboxed, installed, adjusted to top playing condition, identification card attached to case, and hand delivered to the respective band rooms. Additionally, PMC will include one complimentary playing condition servicing within one year of purchase date.
