

RFP 06-P04  
LEASE OF EXCESS BANDWIDTH  
Review Committee Recommendation

The School Board of Okaloosa and the Okaloosa County Public Schools Foundation, Inc. invited qualified firms/individuals to submit proposals for the lease of EBS excess capacity and lease/royalty agreement for our B-Group and our C-Group.

The RFP Review Committee met on August 11, 2005 and reviewed the three responses that were received by the District. The committee determined that two of the respondents, Luxon Wireless and Nextel, had submitted proposals that were deemed responsive to the RFP. The committee met again on August 31, 2005 to receive presentations by Luxon Wireless and Nextel. The committee then ranked each proposal and recommends the following order for contract negotiations.

1. Nextel
2. Luxon Wireless
