With respect to each Engagement Letter, our Client(s) for a particular engagement will include only those individuals and entities specifically identified and listed under the Client Acknowledgement section of an Engagement Letter. BY EXECUTING AN ENGAGEMENT LETTER THAT REFERENCES AND INCORPORATES THIS MSA, CLIENT ACCEPTS AND AGREES TO THE TERMS OF THIS MSA. ANY INDIVIDUAL EXECUTING OR ACCEPTING THIS MSA ON BEHALF OF ANY INDIVIDUAL, COMPANY, OR OTHER LEGAL ENTITY, REPRESENTS THAT THEY HAVE THE AUTHORITY TO BIND SUCH INDIVIDUAL, ENTITY, AND ITS AFFILIATES TO THESE TERMS AND CONDITIONS, WILL PROVIDE UPON REQUEST ANY INFORMATION OR DOCUMENTATION VERIFYING, IN CRI'S SOLE DISCRETION, SUCH AUTHORITY, IN WHICH CASE THE TERM "CLIENT" SHALL REFER TO EACH REPRESENTED INDIVIDUAL, ENTITY, OR AFFILIATES. ENGAGEMENT LETTERS

All services to be performed by us must be described in an Engagement Letter executed by CRI and the Client(s). Each Engagement Letter will provide details on the nature of the work and any expected deliverable. Our services will be limited to the services specifically described in that Engagement Letter. Our agreement to perform services under any particular Engagement Letter does not obligate us to perform any future services under any additional Engagement Letters.

Engagement Letters are subject to the terms and conditions outlined in this MSA. Upon execution of an Engagement Letter, this MSA is incorporated into each Engagement Letter executed by the parties.

OUR RESPONSIBILITIES

We will perform the services detailed in the Engagement Letter(s) in accordance with applicable professional standards. We are available to provide you with business advice, but we are not obligated to do so unless you specifically engage us to do so via an Engagement Letter for this purpose. The parties agree that Client will only rely on written, not oral, statements or advice from CRI. You should not rely on any advice unless it has received a full supervisory review and is provided by us in writing directly to you.

However, if you would like investment advice, we are happy to provide contact information for (a) qualified investment advisor(s).

We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities. Our services do not relieve you of your responsibilities.

DATA SECURITY

In the interest of facilitating our services to you, we may send data over the Internet, securely store electronic data via computer software applications hosted remotely on the Internet or allow access to data through third-party vendors' secured portals or clouds. Electronic data that is confidential to you may be transmitted or stored using these methods. In using these data communication and storage methods, we employ measures designed to maintain data security. We use reasonable efforts to keep such communications and data access secure in accordance with our obligations under applicable laws and professional standards. We also require our third-party vendors to do the same.

You recognize and accept that we have no control over, and shall not be responsible for, the unauthorized interception or breach of any communications or data once it has been sent or has been subject to unauthorized access, notwithstanding all reasonable security measures employed by us or our third-party vendors. You consent to our use of these electronic devices and applications and submission of confidential client information to third-party service providers during this relationship.

To enhance our services to you, we will use a combination of remote access, secure file transfer, virtual private network, other collaborative virtual workspaces, or other online tools or environments. Access through any combination of these tools allows for on-demand and/or real-time collaboration across geographic boundaries and time zones and allows the parties hereto to share data, engagement information, knowledge, and deliverables in a protected environment. In order to use certain of these tools and in addition to execution of this MSA or any related Engagement Letter(s), you may be required to execute a separate client acknowledgement or agreement and agree to be bound by the terms, conditions, and limitations of such agreement. You agree that we have no responsibility for the activities of third-party vendors supplying these tools and agree to indemnify and hold us harmless with respect to any and all claims arising from or related to the operation of these tools. While we may back up your files to facilitate our services, you are solely responsible for the backup of your files and records; therefore, we recommend that you also maintain your own backup files of these records. In the event you suffer a loss of any files or records due to accident, inadvertent mistake, or force majeure, copies of which you have provided to us pursuant to this MSA or any related Engagement Letter(s), we shall not be responsible or obligated to provide you a copy of any such file or record which we may retain in our possession.

In the event of a dispute between the parties, which arises out of or relates to this MSA or any related Engagement Letter(s), the breach thereof or the services provided or to be provided hereunder or in the related Engagement Letter(s), if the dispute cannot be settled through negotiation, the parties agree that before initiating arbitration, litigation, or other dispute resolution procedure, they will first try, in good faith, to resolve the dispute through non-binding mediation. The mediation will be administered by the American Arbitration Association under its *Dispute Resolution Rules for Professional Accounting and Related Services Disputes*. The costs of any mediation proceedings shall be shared equally by all parties.

To Management and Those Charged with Governance
of Okaloosa County School District

This Engagement Letter and its attachments, if any, are governed by the Master Services Agreement 1.0 ("MSA") between Carr, Riggs & Ingram, L.L.C. ("CRI", "we", "us", or "our") and the Client; the terms of which are hereby incorporated into this Engagement Letter by reference. By executing this Engagement Letter, the parties agree to and intend to be bound by the terms of the MSA.

This Engagement Letter confirms and specifies the terms of our engagement and clarifies the nature and extent of the services we will provide for Okaloosa County School District ("Client", "Entity", "you", or "your") as of and for the year ended June 30, 2024 (the "Selected Period(s)").

SCOPE AND OBJECTIVES

We will audit the financial statements and the disclosures, which collectively comprise the basic financial statement(s) of the Entity for the Selected Period(s) ended for the following: School Internal Funds for the 37 schools located within the District's boundaries and the related disclosures to the financial statements, otherwise known as the notes to the financial statements (collectively, the "Financial Statements").

The Financial Statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") (the "Selected Basis").

We will perform an audit engagement with respect to the Financial Statements of the Entity. As and if applicable and indicated in the following paragraphs, we will also perform the appropriate procedures related to either supplementary information ("Supplementary Information") and/or required supplementary information ("RSI").

The objectives of our audit are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether your Financial Statements are fairly presented, in all material respects, in conformity with the Selected Basis and report on the fairness of the Supplementary Information referred to below when considered in relation to the Financial Statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States ("GAGAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error

and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the Financial Statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the Financial Statements in accordance with GAGAS.

We have also been engaged to report on Supplementary Information other than RSI that accompanies the Entity's Financial Statements. We will subject the following Supplementary Information to the auditing procedures applied in our audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the Financial Statements as a whole in a separate written report accompanying our auditor's report on the Financial Statements or in a report combined with our auditor's report on the Financial Statements: the following: Supplemental schedules of cash receipts and disbursements by school.

OUR RESPONSIBILITIES

We will conduct our audit in accordance with GAAS and GAGAS. We will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS and GAGAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the Financial Statements and determine whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Entity or to acts by management or employees acting on behalf of the Entity. Because the determination of waste and abuse is subjective, GAGAS do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and GAGAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the Financial Statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless

clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Entity and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the Financial Statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the Financial Statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the Financial Statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to GAGAS. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risks of material misstatement as part of our audit planning: management override of controls and improper revenue recognition due to fraud.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going concern for a reasonable period of time.

AUDIT PROCEDURES - COMPLIANCE

As part of obtaining reasonable assurance about whether the Financial Statements are free of material misstatement, we will perform tests of the Entity's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to GAGAS.

Our audit does not relieve you of your responsibilities.

OTHER SERVICES

We will perform the following non-attest services for the Entity, based upon information provided by you and in accordance with professional standards:

- Assist management in preparing the Financial Statements
- Assist management in preparing the Supplementary Information

These non-audit services do not constitute an audit under GAGAS and such services will not be conducted in accordance with GAGAS.

You agree to assume all management responsibilities for these non-attest services and any other non-attest services we provide; oversee the services by designating an individual with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

The non-attest services, if any, are limited to those previously defined in this letter, or as identified in a separate Engagement Letter. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

In addition to your responsibilities identified in the MSA, our engagement will be conducted on the basis that you acknowledge and understand your responsibility for:

ENGAGEMENT ADMINISTRATION

K. Alan Jowers is the engagement partner and is responsible for supervising the engagement and signing the report(s) or authorizing another individual to sign it (them).

We understand that your employees will prepare all confirmations and schedules we request and will locate any documents selected by us for testing. A request list of information we expect to need for our audit will be provided to you. Your prompt attention to and timely return of the requested items will significantly contribute to the efficiency of our audit process.

We will provide copies of our reports to the Entity; however, management is responsible for distribution of the reports and the Financial Statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

In accordance with certain regulations, we, as your auditors, are required to make the following commitments:

- The audit documentation for this engagement is the property of CRI and constitutes confidential information. However, we may be requested to make certain audit documentation available to

regulators, federal or state agencies, governmental agencies, etc. ("regulators" or "agencies") pursuant to authority given to it by law or regulation. If requested, access to such audit documentation will be provided under the supervision of CRI personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these regulators or agencies. These regulators or agencies may intend, or decide, to distribute the copies or information contained therein to others.

- We will file a copy of our most recent peer review report with any applicable regulators or agencies.
- As appropriate, we will meet with those charged with governance before the audit report(s) are filed with any required regulators or agencies.

The information that we obtain in auditing is confidential, as required by the AICPA Code of Professional Conduct. Therefore, your acceptance of this Engagement Letter will serve as your advance consent to our compliance with above commitments.

REPORTING

As part of our engagement, we will issue a written report upon completion of our audit of the Entity's Financial Statements. Our report will be addressed to management, those charged with governance, or both, as appropriate, of the Entity. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance.

We will also provide a report (that does not include an opinion) on internal control related to the Financial Statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the Financial Statements as required by GAGAS. The report on internal control and on compliance and other matters will state: (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with GAGAS in considering the entity's internal control and compliance. The report(s) will also state that the report is not suitable for any other purpose. If during our audit we become aware that the Entity is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with GAAS and the standards for financial audits contained in GAGAS may not satisfy the relevant legal, regulatory, or contractual requirements.

TERMINATION

If for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

We reserve the right and sole discretion to withdraw for any reason from this engagement immediately upon written notice to you. Our withdrawal will release us from any obligation to complete the services covered by this Engagement Letter and will constitute completion of this engagement.

Our engagement with you will terminate upon the earlier of our delivery of your report or withdrawal. In either case, you agree to compensate us for our services, fees, and costs to the date of withdrawal.

CORPORATE TRANSPARENCY ACT/BENEFICIAL OWNERSHIP INFORMATION REPORTING

Assisting you with your compliance with the Corporate Transparency Act ("CTA"), including beneficial ownership information ("BOI") reporting, is not within the scope of this engagement. You have sole responsibility for your compliance with the CTA, including its BOI reporting requirements and the collection of relevant ownership information. We shall have no liability resulting from your failure to comply with CTA. Information regarding the BOI reporting requirements can be found at <https://www.fincen.gov/boi>. Consider consulting with legal counsel if you have questions regarding the applicability of the CTA's reporting requirements and issues surrounding the collection of relevant ownership information.

OUR FEES

We estimate that our fees for these services will be \$70,000.

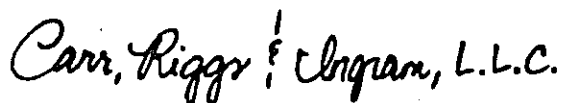

The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

In addition, if the District requests additional services outside of the scope of services covered by this engagement letter, professional fee hourly rates will be charged as outlined in the attached page 41 from our proposal in response to the District's RFP 24-01. As noted in our proposal, these rates may be negotiated depending on the project request.
