RE: Sole Source Memo

This letter is to certify that Yamaha Motor Corporation U.S.A. Marine Business Unit is the sole source / publisher of "authorized" content and courseware: Maintenance Certification Program (MCP) modules Portable, Mid-Range, Inline, V6 Engine.

The only path to offer official MCP courseware or Yamaha Marine University curriculum packages is direct from Yamaha Motor Corporation, U.S.A. Offering MCP modules and Yamaha Marine University courseware is an exclusive ability offered only to Yamaha Tech School Partners Dealers, of which Okaloosa Technical College is a member.

To facilitate the Portable MCP module to educate students in preparation for the CAPE test, a 9.9HP motor would be required.
