CAE LearningSpace Essentials Sole Source Letter

CAE Healthcare Inc. is the sole source manufacturer of the LearningSpace Essentials audiovisual system. CAE's proprietary LearningSpace Essentials software is a web-based, simulator agnostic platform for simulation recording, debriefing, performance assessment and more.

The software does not require licensing fees per user or location and is inclusive of the following software modules: recording, review, scenario authoring, pre-loaded Learning Module, calendar, LDAP, and user manager. CAE LearningSpace is a turnkey system that includes servers that are imaged with the proprietary software application.

Furthermore, CAE is the sole provider of installation, training, technical services, warranty, and maintenance on LearningSpace. This letter is valid one year.

Sincerely,

Grace Gagliano
