Thank you for allowing TriMark the opportunity to provide pricing. Please be aware in this very unstable market; manufacturers are experiencing delays, pricing increases and additional freight surcharges and storage fees. **As such, quotes will remain in effect for 30 days.** TriMark reserves the right to make any corrections or adjustments due to cost increases, market fluctuations, supply chain disruptions, tariffs, third party supplier changes in cost, general contractor delays, or any other factors outside of TriMark's control at any time prior to delivery. We apologize for the inconvenience.

For all custom fabricated equipment, exhaust hoods, walk-in coolers/freezers, and all items requiring owner selections of colors or laminate finishes, these prices are current estimates. We will re-quote those items based on the manufacturers' prices in effect at the time when field measurements can be taken and/or color/laminate selections are made by the owner. This policy also applies to all items of standard manufacture that cannot be shipped immediately upon fabrication to an owner's or general contractor's facility.

Budget pricing per the Osceola Contract #SDOC-22-B-077-LH.
Pricing includes standard dock delivery to Okaloosa County School location.
Special Delivery and Installation Services are available for an additional charge.
Estimated lead times is 8-10 weeks after receipt of approved drawings.
