RFQu Name: **Bleacher Repair & Motorization**

Dear Sir:

Your company has been recommended for award on the above referenced Request for Quotation. Orders will be placed as needed for the duration of the year contract period.

All purchases must be properly authorized in advance. Vendors must first obtain a printed purchase order, a purchase order number or a purchasing card account number before commencing performance under a contract. Vendors shall take no directions to modify (increase, change, decrease, cancel) a purchase order, once issued, from anyone other than the buyer listed on the purchase order. Additional work must be authorized in advance by the buyer who will issue either a change order to the original purchase order or a supplemental purchase order. The vendor assumes all liability for any costs or damages incurred and payment will be denied for additional work if this procedure is not strictly followed.

To ensure timely payment, all original invoices should be submitted to the Accounts Payable Department, Pinellas County School Board, PO Box 2942, Largo, FL., 33779-2942. A minimum of thirty (30) days is required for payment. Photocopies of original invoices may be sent to other district personnel if they request it, but the original copies must be sent to the Accounts Payable Department. Only the Accounts Payable Department may direct you otherwise. Failure to follow this procedure may result in payment delays. Occasionally a school may issue its own internal purchase order. Invoices associated with a SCHOOL purchase order should be submitted directly to the school for payment. **Do not send invoices associated with school purchase orders to the Accounts Payable Department.**

For your information, the administrator of this contract is Hector Camacho. Hector can be reached at (727) 547-7119 if you have questions or need assistance.

Thank you for your response and your interest in Pinellas County Schools.

Sincerely,

Christine Roney
