ACTION ITEM -- **BID AWARD: DIGITAL CATALOG DISCOUNTS, #13140036B**

1. Superintendent's Recommendation:

That the School Board of Seminole County approve the recommendation of the Evaluation Committee to award Bid#13140036B for Digital Catalog Discounts to fifty-nine suppliers as listed herein.

2. Background/Analysis:

A thirty-six month agreement for digital catalog discounts. The purpose of this bid is to establish standard purchase terms and conditions, and establish minimum discounts for a wide range of categories to be used by schools and departments for small non-recurring purchases. There were nine general or specialty categories suppliers could respond to with an opportunity to provide separate minimum discounts for supplies, equipment or furniture. Some proposers bid multiple categories and product lines. The nine categories included, Office and Classroom General Line, Maintenance Repair and Operations (MRO) General Line, Art & Music, Audio Visual, Health and Medical, Furniture, PE & Athletic, Science and Technology. As a minimum, Suppliers had to offer a minimum discount, have an online web based catalog, and were limited in the minimum order value for free shipping. Additional volume discounts for purchases were optional. The Bid pricing is good for individual purchases valued at less than \$25,000. Purchases valued at \$25,000 or more will be bid separately as required by policy and standard bid procedures will apply.

The Evaluation Committee reviewed one-hundred one responses including two no bids and one rejected as non-responsive for failing to sign their bid. The Buyer visited each vendor's website to confirm accessibility to online catalogs. Thirty-nine Proposers were found to be non-responsive to the bid terms and conditions with most rejections based on not offering minimum discounts, free shipping or excessive minimum orders requirements (15) or pricing was not found on the Supplier's website (12). The Evaluation Committee recommends the award to fifty-nine responsive and responsible Suppliers meeting the minimum bid specifications.
