SEALED BID: All bid sheets, requested documents, and this form shall be executed and submitted in a sealed envelope. (Do not include more than one bid per envelope.) The face of the envelope shall contain, in addition to the address, the date and time of the bid opening. All bids are subject to the conditions specified herein. Those which do not comply with these conditions are subject to rejection.

**NO BID-** I HEREBY SUBMIT THIS AS A "NO BID" FOR THE REASONS CHECKED BELOW:

1. Insufficient time to respond	6. Could not meet Insurance requirements
2. Specifications were unclear or restrictive	7. We do not offer the product or service requested
3. Could not meet bonding requirements	8. Remove our company name from this bid
4. Our schedule shall not permit us to respond	9. Keep our company on the bid list for future bids
5. Could not meet specifications	10. Other _____

Company Name: G & A Manufacturing Inc.

**RAMP SYSTEMS AND STAIR SYSTEMS**

**BID # 12-F-214**

**BID TENDER FORM**

This is an ALL OR NONE Bid. To be considered responsive, vendor shall respond to ALL ITEM/UNIT PRICING and submit on the Bid Tender Form. Bid shall be awarded to the lowest, most responsive qualified bidder meeting specifications and shall be based on the TOTAL COMBINED PRICE FOR ITEMS 1 and 2. However, all item pricing shall be reviewed to ensure competitiveness and bids that reflect unreasonable pricing for any item are subject to rejection. This shall be a per each price. The School Board must be able to match the total cost below with the "BID UNIT PRICING" you will list on page 23. Pricing shall include all materials, delivery, warranty and/or installation to include all labor, clean-up and disposal. Typically, the School Board purchases between 20 and 115 systems per year.

**NOTE: RAMPS AND STAIRS SHALL MEET ALL ADA REQUIREMENTS AS BID BELOW.**

**An Example of system for the purpose of calculating low bid**

**A Ramp System:**

- One each - 5'4" x 5'4" Landing with 42" Vertical Picket Guardrails
- One each - 4' x 10' Ramp Section with 38" Vertical Picket Handrails and 26" child's rail
- One each - 4'x10' End Ramp with 38" Vertical Picket Handrails and 26" child's rail
- Eight each - 8"x16" Plastic Bearing Pads

**B Stair System – USS (Equal to Redd Team's 1000 Series or Seating Constructors USA Series G3):**

- One each - 5'x5' Landing (minimum size) with 42" Vertical Picket Guardrails
- One each - Four Riser Stairway with 34" Vertical Picket Handrails, 23" Child's Rail and 7" Riser Height
- Four each - 8"x16" Plastic Bearing Pads

**Attachment A and B Drawings have been enclosed for your information.**

**A - Typical Landing and Ramp System      B - Typical USS Stair System**
