SUBJECT: Additional POC Allocation - Unsuccessful October FCAT Retakes

The Finance Department has received the list of students who were unsuccessful in passing the October, 2004 FCAT retakes from MIS. This information was used to determine the additional POC allocation your school would receive.

Attached you find a spreadsheet entitled "October, 2004 Unsuccessful FCAT Retakes 1-20-05" which lists the school number, the grade level of the student, the student's first and last name, the test date and the allocation amount. This spreadsheet is the basis used to determine your school's additional allocation amount. The funds were allocated today to your school in the following account strip: 1010-5100-0510-your cost center-3113.

These funds should begin to be used immediately for the benefit of students who failed the October, 2004 FCAT. *Remember these funds cannot be carried over from year to year as they are earmarked for specific students with specific needs.*

Should you need further assistance regarding your additional POC allocation, please contact Debbie Bruce at 833-7634. If you have questions concerning the List of Unsuccessful October FCAT Retakes, please contact J.C. Connor at 689-7149.
