SUBJECT: Food Service Dumpster Allocation

As you are aware, schools have traditionally paid for the cost of all dumpsters at their school sites, including the dumpsters used primarily by Food Service. The District is providing a special allocation to help schools defray the cost of one dumpster. A sampling of schools from each area was used to calculate an average annual cost per dumpster. This calculated average annual cost has been allocated to each school in the following budget strip: 1010.7900.0382.Center. Please see the attached spreadsheet for individual school allocations.

Should you have any questions or require further information, please do not hesitate to contact Julie Perry at 833-5850.
