SUBJECT: Fiscal Year 2011-2012 Budget Information

The fiscal year 2011-2012 budget files have rolled forward, and you should now be able to view your school's budget on the AS400. The funds shown are your new fiscal year 2011-2012 budget allocation and your fiscal year 2010-2011 budget carryover.

You may view your school's Final Budget Summary for Fiscal Year 2011 in detail on the Finance website by choosing the Budget Publications Button under "Quick Links" and then the Final Budget Summary Report FY 2010-2011 Link under "Supplemental Budget Information." ***This report is also an excellent tool to verify if your projected expenditures (substitutes, utilities, etc.) for fiscal year 2012 are adequately budgeted.***

For fiscal year 2011-2012, please note the following:

1. Employee retirement benefits (object 0210) have decreased from 10.77% to 5.00%. FICA benefits (object 0220) remain at 7.65%.
2. The following information will be sent out to your school in the near future:
 - a. Health Care Service Plan
 - b. Custodial Service Plan
 - c. Fiscal Year 2011-2012 Position Master

The 2011-2012 Okaloosa County School District's Budget will be adopted by the School Board on Monday, September 12, 2011. At this point, we do not anticipate the need to close the budget amendment screens.

Our mission is to work closely with your school on budgetary issues and provide assistance regarding appropriate use of funds. Should you have any questions or need additional information regarding your school's budget, please do not hesitate to contact Julie Perry at 833-5850.
