SUBJECT: FLKRS Assessment Allocation

The District has allocated funds to Student Testing – Project 2090 for each elementary, K-8, and K-12 school. The purpose of this allocation is to provide each kindergarten teacher one substitute for one day of testing included in the FLKRS assessment event. The following funding strip should be used to override substitute funding: 1010.5100.0750.Center.2090.

Please be advised that if the substitute arrives and something happens with the system, no additional sub will be provided. Teachers will need to have a back-up plan in the case of a technical “malfunction” (e.g., paper-pencil documentation with data entry into the PMRN system at a later date).

The attached spreadsheet indicates the number of kindergarten teachers at each school and the corresponding allocation. The information was pulled based on actual position titles. If your school has a kindergarten teacher with an alternate title, such as VE, please e-mail the teacher’s name and title to Julie Perry. Your school’s allocation will be increased accordingly.

Should you have any questions or require further information, please do not hesitate to contact Julie Perry at 833-5850.
