DATE: October 12, 2012 – Revised October 17, 2012

SUBJECT: School Recognition Awards - Preliminary Information

The fiscal year 2012-2013 School Recognition Award allocation will be based on school grades earned in fiscal year 2011-2012 and the fiscal year 2011-2012 Full Time Equivalent (FTE) students as reported in the 4th FEFP calculation. In addition, alternative schools that improve one level in the overall rating or maintain an "improving" level are eligible for school recognition award money. At this time, the maximum award amount per UFTE is \$100.00; however, this amount may be decreased slightly as the allocation is dependent upon the number of schools state-wide that actually qualify for the funding.

The Department of Education will make one distribution in fiscal year 2012-2013 which will include all schools. The official award notification is scheduled to be received in January 2013, and plans must be approved by the school staff and the School Advisory Council by February 1, 2013. If plans are not approved by February 1, 2013, the award must be equally distributed to all classroom teachers currently teaching at the school.

Attached is a **Preliminary** School Recognition Funds spreadsheet that indicates the following information:

- Fiscal Year 2011-2012 4th FEFP UFTE
- Preliminary School Grade
- Maximum Allocation Per UFTE
- Estimated Maximum Allocation if Determined Eligible

Estimated maximum allocations have been calculated for all schools with preliminary school grades of "A" or "pending." This estimate is for informational purposes only and should be used to develop and fully approve a plan, including SAC approval. The approved plan will be used if the school receives the award.

It is suggested that the following contingencies be included in the approved plan:

School Not Receiving Award:

• In the event that School Recognition Funds are not awarded, this plan is null and void.

Award Amount Less Than Estimate:

• In the event that School Recognition Funds are less than anticipated, the amount set-aside for will be reduced accordingly.

Allowable Expenditures

Per Florida Statute 1008.36 Florida School Recognition Program, school recognition awards must be used for the following:

- Non-recurring bonuses to the faculty and staff,
- Non-recurring expenditures for educational equipment or materials to assist in maintaining and improving student performance, or
- Temporary personnel for the school to assist in maintaining and improving student performance.

Bonuses

When School Recognition funds are used to pay bonuses, please keep in mind that the individuals are responsible for their taxes, including income tax and FICA. However, the District must also pay its portion of FICA. The total cost of a bonus is:

Bonus Amount (Paid to Individual) + District's Share of FICA (7.65%) = Total Cost of the Bonus Example: \$500.00 + \$38.25 = \$538.25

Plans must clearly state whether the bonus is the "Bonus Amount (Paid to Individual)" or the "Total Cost of the Bonus (Paid to Individual + District's Share of FICA)." The District does not pay FICA for non-employees; therefore, non-employees will receive the Bonus Amount (\$500.00 as shown in example above) unless the plan specifically states that the individual should receive the Total Cost of the Bonus (\$538.25).

Plan Submission

All SAC-approved plans should be submitted to Beth Marky in Budgeting before Christmas break. The plans must include the sign-off sheet that is sent to schools by Personnel. Budgeting will review the plans and submit them to the Superintendent for approval.

Once the official award notification has been received from DOE in January, another memorandum will be sent out with actual awards, budgeting information, and payroll information. At that time each school will submit its budgeting paperwork and other compensation forms.

If you have any questions relating to budgeting for the School Recognition funds, please call Beth Marky in Budgeting at 833-5827.
