SUBJECT: Archery Implementation – Project 5014

Several elementary and middle schools have expressed a desire to implement an archery program. In order to implement the program, a school must have someone certified or willing to become certified in archery and purchase the necessary supplies.

The schools shown on the attached spreadsheet have the certification; therefore, the District has made an allocation of \$2,951 for the purchase of archery supplies to implement the program. The allocation may be found in Archery & Volleyball Programs – Project 5014 (1010.5100.0510.Center.5014)
