SUBJECT: Position Verification

Attached please find your Position Master Detail (RB802) Positions By Job Title report. This report lists each position at your center, all fund sources (discretionary budget and projects). ***It is very important this information be verified for accuracy since this data is reported to the Department of Education.*** The Budgeting & Financial Services Department also uses this report to balance your center's positions.

Please verify the following information on the Positions By Job Title report:

- Employee Job Title
- Employee Hours
- Employee Funding
- Number of Positions

If any of the above information is *incorrect*, please write the correction(s) on the Positions By Job Title report and enter the appropriate transactions on OASIS. **Please sign and date the Positions By Job Title report on the first page, make a copy for your records, and return the original to Budgeting & Financial Services by Friday, October 17, 2014.**

We have also included a second report titled "Positions By *Project* and Job Title." This report will be helpful when reviewing your positions for a specific project. There is no need to return this report.

Should you have any questions or need additional information, please contact Paula Sadler at 833-5833, Jason Lulue at 833-5828, or Cindy Harris at 833-5821.
