SUBJECT: Career and Professional Education (CAPE) Bonuses

Pursuant to Florida Statutes (Section 1011.62), the District is statutorily required to pay bonuses to Career and Professional Education (CAPE) instructors (see attached Statute). The amount which an instructor will be paid is based on the following criteria:

- A bonus in the amount of \$50 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.20, 0.30, 0.50, or 1.00.
- A bonus in the amount of \$25 for each student taught by a teacher who provided instruction in a course that led to the attainment of a CAPE industry certification on the CAPE Industry Certification Funding List with a weight of 0.10.
- Bonuses awarded shall be provided to teachers who are employed by the District in the year in which the additional FTE membership calculation is allocated (fiscal year 2015-2016).
- Bonuses shall be calculated based upon the associated weight of a CAPE industry certification on the CAPE Industry Certification Funding List for the year in which the certification is earned by the student (fiscal year 2014-2015).
- Bonuses awarded to a teacher shall not exceed \$2,000 in any given school year and shall be in addition to any regular wage or other bonus the teacher received or is scheduled to receive.

Schools do not have the necessary information to properly complete the bonus forms; therefore, the Career & Technical Education Department has completed the bonus forms on behalf of the schools. The bonus forms will be sent to each school, and the school will be responsible for adding the Employee ID. Once the principal signs the forms, they will need to be submitted to Payroll for processing.

If the forms are received in Payroll prior to May 13, 2016, the instructors will receive bonuses in their May paychecks. Should you have any questions or need additional information, please call Debby Fetner at 833-5849.
