DATE: August 30, 2017
SUBJECT: School Recognition Awards – Preliminary Information

The fiscal year 2017-2018 School Recognition Award allocation will be based on school grades earned in fiscal year 2016-2017 and the fiscal year 2016-2017 Full Time Equivalent (FTE) students as reported in the 4th FEFP calculation. At this time, the maximum award amount per UFTE is \$100.00; however, this amount may be decreased slightly as the allocation is dependent upon the number of schools state-wide that actually qualify for the funding.

Per Florida Statutes, the Florida School Recognition Program is created to provide financial rewards to:

- Public schools that
 - Receive a school grade of “A,”
 - Improve at least one letter grade, or
 - Improve more than one letter grade and sustain the improvement the following year; and
- Alternative schools that
 - Receive a “commendable” rating or
 - Improve at least one level.

The Department of Education will make one distribution in fiscal year 2017-2018 which will include all schools. In fiscal year 2016-2017, the award was received in December. **Please remember that your plan must be approved by the school staff and the School Advisory Council no later than February 1.** If plans are not approved by February 1, the award must be equally distributed to all classroom teachers currently teaching at the school.

Attached is a **Preliminary** School Recognition Funds spreadsheet that indicates the following information:

- Estimated Fiscal Year 2016-2017 4th FEFP UFTE
- Preliminary School Grade
- Maximum Allocation Per UFTE
- Estimated Maximum Allocation if Determined Eligible

*****BEFORE YOU BEGIN THE SCHOOL RECOGNITION PROCESS, PLEASE READ THE ATTACHED “SUGGESTED GUIDELINES FOR A+ FUNDS” PROVIDED BY THE PERSONNEL DEPARTMENT. *****

School Recognition Plan Addendum

Please require that each plan submitted to your school include this addendum. It is a Word document and may be completed on the computer. If the plan is approved, it will help us make sure that the plan is executed as intended. The addendum includes the most common questions that occur when trying to execute approved plans. These questions have caused many schools to have to go back to SAC for these decisions after the plan has been approved.

Allowable Expenditures

Per Florida Statute 1008.36 Florida School Recognition Program, school recognition awards must be used for the following:

- Non-recurring bonuses to the faculty and staff,
- Non-recurring expenditures for **educational** equipment or materials to assist in maintaining and improving student performance, or
- Temporary personnel for the school to assist in maintaining and improving student performance.

Based on Florida Statutes, faculty and staff for the purposes of paying bonuses are either employed directly by the District or are contract employees. Retired employees may also receive bonuses.

Bonuses

When School Recognition funds are used to pay bonuses, please keep in mind that the individuals are responsible for their taxes, including income tax and FICA. The District must also pay its portion of FICA for employees paid through Payroll. The total cost of a bonus is:

$$\text{Bonus Amount (Paid to Individual)} + \text{District's Share of FICA (7.65\%)} = \text{Total Cost of the Bonus}$$

Example: \$500.00 + \$38.25 = \$538.25

Please note that the District does not pay FICA for contracted employees nor for retired employees; therefore, these individuals will receive the Bonus Amount (\$500.00 as shown in example above) unless the plan specifically states that the individual should receive the Total Cost of the Bonus (\$538.25).

School Recognition Bonus Calculator

The Finance Department will be e-mailing an Excel School Recognition Bonus Calculator to help plan writers determine bonus amounts based on the information above. Please provide this spreadsheet to your faculty and staff. There are three types of bonus calculators included on the spreadsheet:

- a. Plan Based on Bonus Amount – Use this calculator to determine the District's share of FICA and total cost of the bonus.
- b. Plan Based on Total Cost of Bonus – Use this calculator to determine the District's share of FICA and the bonus amount to be paid to an individual.
- c. Plan Based on Shares – Use this calculator to determine the bonus amount based on one share, District's share of FICA, and total cost of bonus based on one share.

Plan Submission

Please submit the following to Beth Marky in Budgeting prior to the end of December:

- SAC-Approved Plan
- School Recognition Plan Addendum
- Disburse School Recognition Funds Sign-Off Sheet

Do **NOT** send budgeting paperwork and/or other compensation forms at this time. Budgeting will review the plans and submit them to the Superintendent for approval.

Once the official award notification has been received from DOE, another memorandum will be sent out with **actual** awards, budgeting information, and payroll information. At that time each school will submit its budgeting paperwork and other compensation forms.

If you have any questions relating to budgeting for the School Recognition funds, please call Beth Marky in Budgeting at 833-5827.

Okaloosa County Personnel Department Suggested Guidelines for A+ Funds

1. Staff is defined as those individuals whose entire position is worked at one school. If an employee works at multiple schools, he/she may vote at the school where they receive their pay stub. Contracted employees, such as Nutrition Group, Health Services, and SRO, are not considered staff. **Only those individuals defined as staff will be allowed to vote on the A+ money plans.**
2. Per Florida Statutes, money may be spent on: 1) non-recurring bonuses to the faculty and staff; 2) non-recurring expenditures for educational equipment or materials to assist in maintaining and improving student performance; or 3) temporary personnel for the school to assist in maintaining and improving student performance.
3. **Deadline for the plan approval is February 1, 2017.**
4. An A+ committee should be designated to facilitate the process. It is suggested that 1 teacher (elected by all teachers whose entire position is worked at the school); 1 ESP (elected by all ESP's whose entire position is worked at that school) and 1 parent (the parent is selected by the SAC chair), make up the committee.
5. Set a date when the plans are due in to the principal.
6. **Anyone can submit a plan.**
7. Plans must have a name when turned in.
8. Principals will have a sign-off sheet with date and signature of both the principal and the plan person.
9. Principal will give all the plans to the A+ Money Committee.
10. **The A+ Money Committee will review the plans to ensure that they comply with Florida Statutes as noted in Item #2 above. The plans also must equal the projected allocation. Any plans that are not in compliance will be returned to the plan writer for correction.**
11. The A+ Money Committee puts out all plans without names on them.
12. Plans will be available for review by the staff for three (3) working days prior to voting.
13. Staff signs a sign-in sheet and then votes by secret ballot for a plan.
14. Ballots are then counted by the A+ Money Committee. The plan receiving a 51% majority of those voting will be sent to the SAC for approval.
15. The plan selected by staff must be approved by a 51% majority of those SAC members present. SAC members will vote "yes" or "no" on the plan. Said vote shall **NOT** be by secret ballot.

Tips for Creating an A+ Plan

1. Plans should be clear regarding whether the bonus goes to previous employees and/or all current employees.
2. FICA – Do you want to pay FICA (7.65%) before disbursement of money or after? Remember that you must pay all FICA; the district does not pay matching FICA.
3. It should be specified who the temporary personnel are (job title) that will be hired in the A+ Money plan.
4. Supplies/equipment should be designated in the plan or the plan should designate who makes the decision on the allocation of supplies/equipment money.
5. Include a plan for handling any adjustments to the plan. Possible reasons for adjustments include: actual allocation is different than the preliminary allocation, someone was inadvertently left off, math errors. Etc.
6. **REMEMBER TO MAKE SURE THAT YOUR PLAN'S TOTAL DOLLARS EQUALS THE TOTAL DOLLARS EARNED BY YOUR SCHOOL.**

Excerpt from The 2017 Florida Statutes

1008.36 Florida School Recognition Program.

- (1) The Legislature finds that there is a need for a performance incentive program for outstanding faculty and staff in highly productive schools. The Legislature further finds that performance-based incentives are commonplace in the private sector and should be infused into the public sector as a reward for productivity.
- (2) The Florida School Recognition Program is created to provide financial awards to public schools that:
 - (a) Sustain high performance by receiving a school grade of “A,” making excellent progress; or
 - (b) Demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year.
- (3) All public schools, including charter schools, that receive a school grade pursuant to s. [1008.34](#) are eligible to participate in the program.
- (4) All selected schools shall receive financial awards depending on the availability of funds appropriated and the number and size of schools selected to receive an award. Funds must be distributed to the school’s fiscal agent and placed in the school’s account and must be used for purposes listed in subsection (5) as determined jointly by the school’s staff and school advisory council. If school staff and the school advisory council cannot reach agreement by February 1, the awards must be equally distributed to all classroom teachers currently teaching in the school. If a school selected to receive a school recognition award is no longer in existence at the time the award is paid, the district school superintendent shall distribute the funds to teachers who taught at the school in the previous year in the form of a bonus.
- (5) School recognition awards must be used for the following:
 - (a) Nonrecurring bonuses to the faculty and staff;
 - (b) Nonrecurring expenditures for educational equipment or materials to assist in maintaining and improving student performance; or
 - (c) Temporary personnel for the school to assist in maintaining and improving student performance.

Notwithstanding statutory provisions to the contrary, incentive awards are not subject to collective bargaining.

1008.34 School Grading System; School Report Cards; District Grade.

- (3) DESIGNATION OF SCHOOL GRADES.—
 - (a) Each school must assess at least 95 percent of its eligible students, except as provided under s. 1008.341 for alternative schools. Each school shall receive a school grade based on the school’s performance on the components listed in subparagraphs (b)1. and 2. If a school does not have at least 10 students with complete data for one or more of the components listed in subparagraphs (b)1. and 2., those components may not be used in calculating the school’s grade.
 1. An alternative school may choose to receive a school grade under this section or a school improvement rating under s. 1008.341. For charter schools that meet the definition of an alternative school pursuant to State Board of Education rule, the decision to receive a school grade is the decision of the charter school governing board.

Excerpt from The 2016 Florida Statutes

1008.341 School Improvement Rating for Alternative Schools.

(2) SCHOOL IMPROVEMENT RATING.—An alternative school is a school that provides dropout prevention and academic intervention services pursuant to s. 1003.53. An alternative school shall receive a school improvement rating pursuant to this section unless the school earns a school grade pursuant to s. 1008.34. ... The school improvement rating shall identify an alternative school as having one of the following ratings defined according to rules of the State Board of Education:

- (a) “Commendable” means a significant percentage of the students attending the school are making Learning Gains.
- (b) “Maintaining” means a sufficient percentage of the students attending the school are making Learning Gains.
- (c) “Unsatisfactory” means an insufficient percentage of the students attending the school are making Learning Gains.

Schools that improve at least one level or maintain a “commendable” rating pursuant to this section are eligible for school recognition awards pursuant to s. [1008.36](#).
