Fiscal Year 2019-2020

A large, handwritten blue scribble is present over the right side of the TO, FROM, and DATE lines, partially obscuring the text.

The Accounting and Financial Reporting Department will begin conducting their annual Child Care Review which will include a brief visit to your school's child care area. This review will cover your child care program's financial records for fiscal year 2019-2020.

Alice Shannon will be contacting your Child Care Coordinator to schedule a date and time for your school's review. This year the amount of time at your school will be reduced from previous years and will include only a question and answer survey with the Child Care Coordinator and a brief review of 2019-2020 deposit records and check-in/check-out procedures. The in-depth review of deposit entries will take place in the Accounting Operations office as all entries have been scanned and saved and can be accessed easily to check for accuracy.

Should you have any questions or need additional information, please contact Alice Shannon at 833-5832 or extension 65832.
