SUBJECT: Internal Funds Year-End Procedures

Julie A. Perry

The end of the fiscal year is fast approaching, and it is time to begin preparing the school internal funds for the end of year closure. Below you will find step-by-step instructions to close your school's internal funds accounts for fiscal year 2021-2022.

Prior to June 14, 2022:

- A. Request reimbursement of Petty Cash. (Must be fully reimbursed as of June 30, 2022.)
- B. Request reimbursement of Day Care Petty Cash, if applicable. (Must be fully reimbursed as of June 30, 2022.)
- C. See Purchasing TAM 2022-028 for further instructions. (All TAM's are available on the Finance website.)

Prior to June 24, 2021:

- A. Use the Textbooks Lost/Damaged account to reimburse current fiscal year expenditures from your school's Textbook Project (3105) and the Library Books Lost/Damaged account into your school's Library Books Project (3106).
 1. Check the AS400 to see how much your school has expended in each project (F503). Print the screens for backup.
 2. Check the balance of your Textbooks Lost/Damaged account and print for backup.
 3. You may not reimburse Projects 3105 and 3106 for more than was expended during the current fiscal year.
 4. Write an internal funds check for an amount no greater than the amount that was expended in each of the projects above. Any funds remaining may roll to the next year.
 5. Send the internal funds check and a Cash Transmittal Form (MIS 3218) to Accounting & Financial Reporting.
 6. If your school receives additional funds or must issue refunds after the account balance has been sent to the District, you may allow this balance (positive or negative) to roll to the next fiscal year.

- B. Reimburse any other eligible expenditures as needed.
- C. All textbook funds, library book funds, and reimbursements must be received by the Accounting & Financial Reporting office no later than 12:00 p.m. on Thursday, June 30, 2022, to be applied to your fiscal year 2021-2022 budget. The courier delivers mail to Finance in the afternoon; therefore, any funds being sent through the courier must be delivered by Wednesday, June 29, 2022. Please check the courier schedule for actual delivery dates.**

Prior to June 30, 2022:

- A. Collect and deposit all outstanding change funds.
- B. Reimburse the Petty Cash Imprest Fund, if applicable.
- C. Reconcile the '6' NSF Check Holding account.
- D. Perform account 'maintenance' such as:
 - 1. Transfer Picture funds to General,
 - 2. Transfer Vending to Principal's Discretionary,
 - 3. Transfer small field trip balances to the next grade level's field trip account (large balances should have already been refunded to parents),
 - 4. Cover all negative balances in accounts, and
 - 5. Transfer *fundraiser* profits/losses to main accounts.

Note:

It is not necessary to transfer *all* sub-accounts to the main accounts. *Only transfer the balances of completed fundraisers. Interest will be transferred before the final reconciliation is completed – See "BEFORE Closing the Month of June 2022 – Item B.1."*

BEFORE Closing the Month of June 2022:

The Budgeting Department must complete the year-end closing prior to any July transactions.

- A. Purchase Order Procedures (*If you do not post PO's in SFO, please skip this step:*)
 - 1. If you are posting purchase orders, keep in mind that *open PO's will not carry over into the new year*. Any open PO's will actually prevent the year-end process from running.
 - a. Print the Open PO's Report found under the Reports menu, Purchase Orders. This will give you an up-to-date listing of all PO's that have not been liquidated.
 - b. Using this report as a guide, go to the PO's menu, Liquidate, and liquidate (close) all open PO's. It is important to use a June 30, 2022, liquidation date.
 - c. Once the year-end process is completed for your school, you can enter these PO's again with a July 1, 2022, date and a new PO number.
 - 2. Print a Receipts and Disbursements Report with an ending date of June 30, 2022. Do not check "Exclude Encumbrances." After liquidating all open PO's, the Year-To-Date Encumbrances total (far right column) should equal "0." PLEASE NOTE: If you have liquidated all open PO's and this total is still not "0," please contact your SFO support representative before proceeding.

- B. Complete all June transactions: receipts, disbursements and journal entries, including interest.
 1. Transfer all checking and SBA interest to the General fund after posting June's interest.
- C. As you complete June's Bank Reconciliation, steps #1 through #7, note the following:
 1. Step #5 on the bank reconciliation may NOT be used unless approved by Finance. Cindy Harris will be able to assist you with this item.
 2. Make sure to verify all asset (zero) accounts with their corresponding bank or account statement before finishing the reconciliation.
 3. Be sure to print ALL bank reconciliation reports (outstanding checks, deposits in transit, and bank reconciliation) when displayed.
 4. Click on the green FINISH button after printing all reconciliation reports.
- D. Print the reports that are required to be sent to Finance for the month of June 2022. (See MIS 3508 Internal Funds – Submission of Monthly Reports)
- E. Run the following reports for the entire fiscal year. Please note that due to the number of transactions in the larger schools, some of the PDF yearly reports will have to be printed in multiple reports.
 1. Receipts and Disbursements Report
 - a. Use the report ending date of June 30, 2022.
 - b. Uncheck "Exclude Beginning Year Balances" and generate the report.
 - c. Once the report is onscreen, save the report as a PDF by clicking the disc symbol to the right of the printer symbol.
 - d. Optional – Print the PDF and place the report in a special folder for year-end reports.
 2. Account History
 - a. Use the starting date of July 1, 2021, and ending date of June 30, 2022.
