 SUBJECT: Change in Categorical Projects

Julie A. Perry

Beginning in fiscal year 2023-2024, the Legislature discontinued certain categoricals. The District must now make allocations for these specified purposes using funding received through the Base Student Allocation (BSA); therefore, the allocations must be made in new projects. A list of the discontinued and new project names and numbers is below. Initial allocations for fiscal year 2023-2024 were made to the new project numbers. If the old project is noted as rolled in the table below, be sure and check to see if you had any funds carried over from fiscal year 2022-2023.
